PARADE FLOATS

EVERYONE LOVES A PARADE!

Create a *Parade* Float you want to Show Off!

There are as many reasons to build a parade float as there are spectators. The experience not only brings the members of your organization together, but is much easier than you may think. With just a bit of efffort and our fantastic materials you'll have a float to be proud of in no time. Whether you choose your own combination of our floral sheeting, fringe and twist or a complete float kit, you are sure to be happy with the result. We invite you to page through this brochure and begin planning your one-of-a-kind parade float today.

FLORAL SHEETING

When you think parade float decorating, think vinyl floral sheeting. This rolled material has sparkle, dimension and texture. Use it to cover a trailer bed, large areas of a prop, or to decorate the tow vehicle. Our premium Metallic Floral Sheeting adds extra flair to a parade float. Its mirror-like quality gives a rich appearance to your creation. Our 3-foot wide sheeting comes in 10-yard rolls for easy handling.

FRINGE

Fringe covers up the mechanism of the trailer so the parade float literally appears to be "floating." Fringe offers your float a finished, coordinated look. The 15" x 10' length is available in all Standard and Metallic floral sheeting colors.

TWIST

Twist adds a professional, finished look to your float. Use twist to outline portions of your float, add contrast between colors or to soften the angles of the trailer. It is available in all Standard and Metallic floral sheeting colors in 25' rolls and is a perfect accenting material. 3" wide.

LETTERS

These 1/16" rigid wallboard letters are a great way to spell out the name of your float or organization. They come glittered, painted, metallic or plain. Paint colors are white, black, red, dark blue, purple and yellow.
4", 6", 8" and 12" sizes available.

SHOWCASE KIT

Your prop receives extra attention when displayed on top of this exciting float design. Use lengths of twist to further highlight the theme. The 4' tall helmet is sculpted out of Styrofoam, while the 8' high trophies are cut from plywood.

Showcase Kit FK316

PERFORMANCE KIT

The rounded platform and raised backboard of this float design set off people you wish to highlight at the parade. It is a perfect float to show off a cheer squad, sports team or royalty. The props shown here measure 8' wide and easily attach with a 2" x 4" board to the back of the float.

Performance Kit FK310

SEASONAL PROP KIT

This attractive float helps your organization celebrate the holidays with style. Coordinate the sheeting and twist with a themed prop. The 8' tall props shown here are just a small sampling of the many holiday shapes that look fabulous on this style float.
Seasonal Prop Kit FK451

YOUTH SPORTS KIT

See Page 2 for Color Choices
Mix & Match Your Own Color Combinations!

Your favorite sports team will love to participate in a parade riding on a Soccer, Football or Basketball themed float. The flat design is super easy to execute and there is room for the whole team. Kit comes complete with enough twist to create the field or court details. Corrugated plastic shapes also included. Add your own basketball net, soccer net or goal post.
Youth Sports Kit FK152

MEDALLION KIT

Ever a classic, this float design features a medallion backdrop perfect for showing off your organization's name or logo. The ample space on the float makes an ideal stage for props or people. The medallion itself stands 8' tall.
Medallion Kit FK169
3-TIER PLATFORM KIT

An eye-catching three-tiered float that parade attendees can really see coming. Bold, varying colors of floral sheeting make the individual 2' high levels really stand out. Looks excellent as is, or makes a great foundation for more elaborate plans. Props not included.

3-Tier Platform Kit FK184A

EASY FLOAT KITS

Don't miss out on the fun just because you have a tight budget or time constraints. Easy Float Kits are perfect for individuals and organizations who don't want to make a large, traditional float. Your car, truck or trailer will look great decked out in fringe, twist and floral sheeting in your signature colors. Easy Float Kits make decorating a vehicle a quick, fun project for anyone.
With Magnetic Tape, there are no worries about attaching the sheeting, fringe and twist directly to your vehicle's finish. Simply remove the paper backing to expose the adhesive, apply it to the decorating material and place it on your car, truck or trailer. Pulls off just like removing a magnet from a refrigerator.
